

C major Pentatonic Scale

in the 1st position

Ideas for creating your own Celtic pentatonic tune:

1. Play up and down the scale from start to finish.
2. Start on any note and play up and down the scale, finishing on your starting note.
3. Still moving up and down the ladder of the scale, make some notes longer.
4. Repeat notes you like before moving on to the next notes.
5. Go free. Jump around. Have fun!
